2025 - 2026 SEASON

WELCOME

The excitement ahead of the 2025/26 Season is unrivalled to any in recent years both on and off the field.

Firstly, the appointment of Nathan Haslam as the Club's New Men's First Team Manager emphasises the ambition of the Club. Nathan, assisted by Club Legend Gary Wood, joins us with a wealth of experience with Clubs at Step 3, and we're excited by what the future holds for the team in 25/26 and beyond.

A fantastic season for our Ladies team who became Champions of the North Riding Football League, Women's Premier Division, following an excellent season. This truly is a mammoth achievement for the team, with a large number of new players joining at the start of the season.

Our Men's Reserves Team end the season very strongly, securing their place in the NRFL Men's Premier Division for next season. The Reserves are a crucial part of the playing pathway, supporting junior players into Adult football whilst also offering a competitive team for local footballers. We look forward to that continuing in 25/26.

The Board has welcomed the support and advice of our Head of Club Development, Craig Hignett, over the last 12 months. His expertise and passion for the Club is vital to our growth.

None of our achievements would be possible without the support of our volunteers, officials, fans and crucially, our sponsors and partners. The Priory Suite has become a vibrant place, with an incredible atmosphere on matchdays to welcome our valued sponsors and we look forward to welcoming everyone in July.
